

Workshop on Critical Raw Materials for Low Carbon Technologies

Tentative Agenda

January 30 - 31, 2024

The Ambassador Hotel, New Delhi

Day 1: January 30, 2024

Day 1: January 30, 2024		
09:30 am	Registration, Tea, and Networking	
10:00 am	Inaugural Session The session will set out the brief for participants and share inputs on what India can do to strengthen its position on securing CRM supply for its energy transition. ▶ Welcome and Context Setting: Shakti Sustainable Energy Foundation ▶ Inaugural Address by Joint Secretary, Ministry of Mines [#]	Venue: Dome Open to all
11:00 am	Plenary 1: Strategies and Policies for Developing Resilient Critical Minerals Value Chain in India The objective of the session is to highlight India's need for critical minerals for moving to the net-zero target by 2070 and to lay the path for achieving this goal.	
12: 15 pm	Plenary 2: Navigating Geopolitics: India's Strategic Role in the Critical Minerals Landscape The session will focus on emerging geopolitical trends and explore the role India can play in creating a resilient and more diversified critical raw material supply chain for the world.	
01: 30 pm	Lunch	
02:30 pm	Technical Session 1: Roundtable on Securing critical mineral supply chains in a fragmented world Session Lead: IISD	Venue: Tango Participation by invitation
	Technical Session 2: Roundtable on Critical Minerals in India: Enabling Sustainable Mining Practices Session Lead: CSEP	Venue: Dome Participation by Registration
04:30 pm	Tea and Networking and Close of Day 1	

Day 2: January 31, 2024

09:15 am	Registration	
09:30 am	Plenary 3: Localizing Critical Mineral Value Chain In India The session will explore the opportunities and challenges India can face as it aims to increase the domestic value add in the clean energy sector.	Venue: Dome Open to all
10:45 am	Tea and Networking	
11:00 am	Technical Session 3: Roundtable on Increasing domestic value addition in an uncertain technological landscape Session Lead: CEEW	Venue: Tango Participation by Registration
11:00 am	Technical Session 4: Panel Discussion on Closing the Loop: Improving Recyclability for CRM Sourcing Session Lead: ICRIER	Venue: Dome Participation by Registration
01:00 pm	Lunch	
02:00 pm	Plenary 4: Emphasizing ESG practices in Critical Raw Materials Mining The session will explore environmental and social challenges associated with creation of CRM value chains and strategies that can be implemented to ensure sustainable and responsible mining practices.	Venue: Dome Open to all
03:15 pm	Tea and Networking	
03:30 pm	Technical Session 5: Roundtable on Environmental and Socially Responsible Practices for Critical Raw Materials Session Lead: ICRIER	Venue: Tango Participation by Registration
	Technical Session 6: Panel Discussion on Modelling the Critical Raw Materials and Need for a Collaborative Industry Action Session Lead: Shakti	Venue: Dome Participation by Registration
05:30 pm	Closing Plenary: The session will focus on presenting key takeaways from the technical sessions to the stakeholders. <ul style="list-style-type: none">► Context Setting: Shakti Sustainable Energy Foundation► Presentation of the Key Takeaways by Session Representatives► Individual Remarks by Secretary, Ministry of Mines[#]► Keynote Address by Hon'ble Minister of Mines[#]► Vote of thanks by Shakti Sustainable Energy Foundation	Venue: Dome Open to all
05:30 pm	Tea and Networking
